

Guide to Online Admission Process

Apply thorough www.nuv.ac.in
Click Admissions 2018

Step I

Register a mobile no and create UI and Password.
Fill in the Application form with personal details of student
Apply for Admission in the desired category
Fill in academic details and save.

Take the print of the form, attach a copy of all documents (First 3 documents are mandatory for submitting the admission form) and submit at the Admission Office Room 003 at Navrachana University Campus along with Admission Processing Fees of Rs 1000.
Carry all original documents for verification

Step II

Upon receipt of the Admission form and fees, Admin will verify the form details and documents

Step III

Program Coordinator will invite the students through SMS and Email for Interview and selection process.

Step IV

Student will get updates on admission status on a Dashboard kept on home page from his/her login.
Once admission is confirmed Student will get the message through mobile no and email to pay fees.
Student can pay fees online or by visiting nuv.ac.in or on the admission page though his UI and Password.

Once the fees is paid the student will be mapped for the registered academic program and semester. The student will get a new UI and Password for his/her acloud account for further process.
