

Admission Policy for A.Y.-2021-22

Navrachana University was established through the Gujarat Private Universities Act, 2009 with the intent to offer superior education that befits the high educational standards of the Navrachana Educational Society in Vadodara.

The University has embarked on a new educational paradigm that lays simultaneous emphasis on disciplinary education, inter-disciplinary education, professional education and general education. This paradigm is facilitated by the University's unitary character and offers comprehensive learning and helps develop T-Shape students who have a breadth of knowledge through general and inter-disciplinary education, and a depth of knowledge through focused disciplinary education.

Navrachana University is recognised by UGC and offers various courses in streams, including Architecture, Business Administration, Education, Social Work, Engineering, Management, Law, Science, Computer Engineering and Design.

Admission Process

Navrachana University employs the online method for Admission Process. Each candidate has to fill the Online Application Form available on the University website. Navrachana University provides an interactive user interface for filling the application form. The admission platform ensures complete data security and auto-saving at each step.

After completion of application form, applicants will receive a system generated acknowledgment for the application submitted and payment of application form fees.

Post the application submission, each candidate is evaluated on the basis of their entrance exam and/or personal interview, as decided by the respective program. The application form and documents are verified with the original documents, before granting the admission. On successful completion of the admission process, the candidate is granted confirmed/provisional admission and he/she is directed to pay the semester fees along with the security/library deposit.
