UNIVERSITY**

a UGC recognized University

# Junior Research Fellow (on-contract)

Navrachana University, Vadodara (NUV) invites the applications for the position of Project-JRF (1 No.) in the Research Project no. CRG/2021/000913 entitled "*Oligonucleotide Amphiphiles based Supramolecular Systems for targeted drug delivery for cancer therapeutics*" under the supervision of Dr. Amit Patwa, Department of Chemistry, School of Science. The position is purely temporary and is available immediately initially for One Year. The duration of the position may extend up to maximum three years or the end of the project whichever is earlier and coterminous with the tenure of the project.

## Junior Research Fellow (JRF)

**Positions: 1 (one)**

**Essential Qualification:** M.Sc. Chemistry (preferably having Organic Chemistry as specialization) with 55% marks or 5.5 CGPA on a 10-point scale.

**Desirable Experience:** 1 Year experience in particular research area. (Freshers with very good academic track record may apply)

**Fellowship:** Rs.31,000/- + 16% HRA (consolidated per month for candidate with valid NET (CSIR/UGC)/SLET/GATE). If the candidate has not cleared NET (CSIR/UGC)/SLET/GATE, the salary will be as per the Navrachana University Norms.

**Duration:** One Year (Upon satisfactory progress, the duration of the position may extend up to maximum three years or the end of the project whichever is earlier and coterminous with the tenure of the project)

## How to apply:

The interested candidates may apply in the prescribed application form (Format attached) with required certificates/documents and latest curriculum vitae. The candidates should send their filled application form along with latest curriculum vitae and photocopies of certificates/documents (self-attested) through email (as a single attachment file) with subject title Name\_Application for the position of JRF to following email addresses:

**To:** amitp@nuv.ac.in **cc:** hr@nuv.ac.in
