

NAVRACHANA

UNIVERSITY

a UGC recognized University

Early Childhood Care & Education (ECCE)

Post Graduate Diploma in Early Childhood Care and Education

Program details

Full time | One Year | Two Semesters | 20 Seats

About

The ECCE Program provides a broad general orientation to the field of Early Childhood Care and Education, with a focus on developing entrepreneurs. Rooted in strong teaching focus, the program offers opportunity to pursue independent study and explore personal interests in a variety of educational platforms. In addition to developing proficient teaching professionals, the program aims to develop entrepreneurs in pre-primary education equipped with the knowledge and capacity to organise, plan, establish and manage institutions of Early Childhood Care and Education.

A full-time course, one year program, a candidate admitted to the ECCE course shall undergo a regular course in the School of Liberal Studies and Education in two semesters. The total credits for the course are 40.

The program is best for

Aspiring teachers for pre-primary education | Entrepreneurs in the field

Learning outcomes

At the end of the program students will become professionals who will:

- Develop understanding early childhood and care in its various contexts
- Develop competencies to teach in a variety of pre-primary educational institutions
- Develop skills sets to transact pedagogy for early childhood education
- Become entrepreneurs in pre-primary education and establish institutions for Early Childhood Care and Education such as - day care centers/pre-primary schools
- Develop competence as managers who can take up leadership positions at different levels in institutions of Early Childhood Care and Education

Features of the program

- Emphasis in hands-on work and apprenticeship
- Strong practice content
- Intensive interaction with a pre-primary school
- Education laboratory offers opportunity to connect with the community, solve and document educational problems
- Extensive use of technology in education
- Placement assistance
