<https://nuv.ac.in/interwoven-an-interdisciplinary-journal/#1580732715545-b890f313-7119>

Volume 1, Issue 1

Education

1. The Heart and Soul of School Curriculum
2. Resolving Vectors

Maths

1. Construction of Fibonacci Spiral and Geometry in Golden Hexagon using Golden Sections
2. Construction of Golden Hexagon with golden section in equilateral Triangle

Social Science

1. Mainstream and Shadow Education: Contestations in Form and Function of School

Volume 1, Issue 2

Education

1. Porous Pavement: Design and Cost Evaluation
2. Mathematics Teaching - Balancing Abstract Verses Concrete

Engineering

1. Direct Stiffness Method for a Curved Beam and Analysis of a Curved Beam Using SAP
2. Behavior of Structural Systems for High Rise Buildings
3. Development, Design, Applications and Handling of Tesla Coil Transformers: A Review

Volume 2, Issue 1

Education

The Academic Accountability in Higher Education; Rhetoric or Real

Perspective

Management

A Commentary on India's Dream of Becoming "A Five Trillion Dollar Economy by 2025"

Research Articles

Education

Critical Thinking: An Indispensable Dimension In The Course Of Sustainable Development

Science

On Construction of Golden Section Octagon

Quantitative and Qualitative analysis of Glucose and Fructose from Flower Nectaries

Volume 2, Issue 2

Invited Article

Science

Notorious Radicals and Their Fate

Case Study

Education

Critical Thinking Integrated with Instructional Scaffolding Approach in Physics Classroom

Review Articles

Management

Evaluation of various Bankruptcy Prediction Models

Research Articles

Engineering

Optimization of Weld Bead Geometry for Flux Bounded Tungsten Inert Gas Welding of 316L Stainless Steel

Science

Hydrophobic Ionic Liquid/Sugar Surfactant (PLANTACARE® K- 55)/Water Microemulsions: Phase Studies and Effect of Co-surfactant

Volume 3, Issue 1

Perspective

Science

The Science of how Living Systems Escape Decay to Equilibrium!

Review Article

Management

Towards a Sustainable Business in a Changing World

Research Articles

Education

Evaluation of Literature Search Strategy amongst Dental Faculty of K.M. Shah Dental College - A Questionnaire Based Study

A Study of the Awareness, Attitude and Proposed Actions of Secondary School Students toward Environmental Issues

The impact of Mid Day Meal in government elementary schools of Surendranagar city

Volume 3, Issue 2

Invited Article

Science

The Intriguing Flow Behavior of Soft Materials

Perspective

Social Science

Human Dignity- A Kantian Perspective

Review Article
